

# Paediatric Equipment Open Day

(Equipment for children and young people)

A Person Centred Approach

Disability North is holding a **free** informal drop-in event, open to families and professionals

**on** Thursday 29th May 2014

**from** 10am to 4pm

**at** Walker Technology College, NE6 4LA

Come and see a selection of equipment designed for children and young people that will help with mobility, personal care and moving & handling.

**Equipment on show includes:**

**Specialist Seating (for home and school), Manual and Powered Wheelchairs, Beds, Cots and Equipment for Personal Care, Personal Alarms, Monitors and Sensors, Hoists, Moving & Handling Equipment, Stairclimbers and Postural Support Systems.**
